Information about your contracts

This policy is evidence of the contract between you and the underwriters providing the cover.

In return for your premium we'll give you insurance cover as set out in this booklet according to the cover you have chosen and the period of cover shown in your Schedule.

You will enter into two separate contracts when you take out an insurance policy through Sheilas' Wheels. The first contract is with esure Services Limited for arranging and administering your insurance policy, who shall charge you arrangement and administration fees for providing this service. Further details can be found in Your Agreement with esure Services Limited.

The second contract is with esure Insurance Limited, for providing your insurance who shall charge you a separate premium inclusive of insurance premium tax. The terms and conditions are set out in this document and your statement of insurance and Schedule. The new business arrangement and administration fees and insurer premium will form the cost of the insurance.

You and we can choose the law that applies to this contract. English law will apply unless you and we agree otherwise. The courts of England and Wales will have exclusive jurisdiction to adjudicate on any dispute between you and us, unless you live in Scotland or the Isle of Man, where their courts will have jurisdiction. We have provided the terms and conditions of this policy in English and will continue to communicate with you in English.

So you know what to do and what to expect from us, please take a few minutes to read about our claims service.

What to do if you're involved in an accident

We hope that you will have many years of safe driving, but if you're unfortunate enough to be involved in an accident, please follow these simple guidelines.

ALWAYS:

- 📖 STOP: Always stop at the scene of the accident, even if you don't think any damage or injury has been caused to any car, property, driver, passenger or pedestrian involved.
- 📖 POLICE: Call the police if anyone was injured or if any other driver leaves the scene without stopping and exchanging details.
- 📖 DETAILS: Gather as many as possible for all cars, drivers, passengers and pedestrians involved in the accident, and for any witnesses to the accident. This should include their name, address, telephone number, email address, car registration number, policy number and insurance company name, if possible.
- 📖 INJURIES: Note the driver and number of passengers in each car and whether any of them appear to be injured or complain of any injury.
- 📖 LOCATION: Record the location of the accident.
- 📖 PHOTOS: Where possible and safe to do so, take some photos of the accident scene, the positions of the cars involved and any damage to them.
- 📖 CALL US: As quickly as possible to tell us about it. You should do this even if there is no loss or damage to your car and you don't want to make a claim. This will allow us to explain the likely next steps and to guide you through the claims process, should you decide to make a claim at a later date.

NEVER:

- 📖 Never admit blame or liability for the accident or offer to make a payment for damage caused

Even if you're not able to gather all the information outlined above, it's really important to ring us immediately after the accident to make us aware of it, so that we can give you the appropriate help and support.

How to report an incident to us

The telephone numbers you will need in order to tell us about an incident or to make a claim are displayed on the back page of this Policy Booklet.

Our recommended repairer service

If you need to make a claim for damage to your car and choose to use one of our recommended repairers, the following benefit is available to you:

- ✓ Repair work is guaranteed for 5 years. The repair guarantee covers labour costs and not parts. Parts are subject to the manufacturer's warranty. Your statutory rights are not affected.
- 📖 Our recommended repairer network is only available in mainland UK and does not extend to any islands which form part of the UK unless we inform you otherwise.
- 📖 If the repairs to your car are completed by a repairer who is not recommended by us, your claim will be subject to an additional £200 policy excess and none of the recommended repairer benefits will be available.

Our Courtesy car service

- ✓ A courtesy car is provided whilst your car is being repaired by the recommended repairer as part of a valid claim, as long as you have a comprehensive policy which remains in force for the duration of repairs. We aim to provide a courtesy car to you within two working days.
- ✗ A courtesy car is not available if your car has been stolen and not found, or considered to be a total loss. If we decide that your car is a total loss after providing the courtesy car, it will be withdrawn.
- ✗ A courtesy car service is not available for claims under the windscreen section of your policy.
- ℞ The courtesy car will be a small car, such as a Nissan Micra or Toyota Aygo, which will automatically be insured on your policy at no cost. Normal policy terms and conditions apply.
- ℞ You'll be responsible for the courtesy car, including paying for fuel and any parking fines, motor offences and fixed penalties, and any congestion or toll charges incurred.

Help us to prevent fraudulent insurance claims

- ℞ If you see or hear anything unusual at the scene of an accident, please tell us immediately. For example:
 - If the other car was being driven erratically
 - If the other car stopped sharply or for no apparent reason
 - If the brake lights on the other car were not working
 - If the driver or passengers in the other car behaved strangely or unusually
- ℞ Criminals attempt to stage accidents to claim for fraudulent damages and injury. This insurance fraud costs the industry millions each year – we need your help to spot it and stop it!

Territorial limits and use abroad - Section 6

1. Territorial limits and use abroad

- Ⓜ Your car must be registered in the UK or the Isle of Man and not be kept outside these jurisdictions for more than 90 days in your year long cover period.
- Ⓜ The cover under Sections 1 - 5 of your policy operates in the UK, the Isle of Man and the Channel Islands and during sea journeys between these constituent parts.
- Ⓜ The territorial limits of the cover for Optional Extras to your policy are different and set out in the relevant policy booklet.
- Ⓜ You also have the minimum cover you need by law to use your car in:
 - any country which is a member of the European Union; and
 - any country which the Commission of the European Community approves as meeting the requirements of Article 8 of the European Community Directive 2009/103/EC on Insurance of Civil Liabilities arising from the use of motor vehicles.
- ✓ This includes the following countries: Andorra, Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Republic of Ireland, Romania, Slovakia, Slovenia, Spain, Sweden and Switzerland.
- Ⓜ This may provide less cover than you have in the UK or the Isle of Man and is usually equivalent to the third party only cover available in the UK or the Isle of Man, with no cover for damage to your car.
- Ⓜ You don't need a Green Card to drive abroad within the countries above. Your Certificate of Motor Insurance includes international cover for a maximum of 90 days in a single period of cover on a third party basis only.
- Ⓜ If you bought breakdown assistance, this only operates in the United Kingdom and the Isle of Man.

2. If you want full policy cover abroad

- Ⓜ In return for any extra premium we may require and any administration fee charged by esure Services Limited, we will extend the level of cover provided by your policy under Sections 1 to 7, to named countries in Europe and give you an international motor insurance certificate (Green Card). You must request this extension to your cover and agree it with us prior to travelling. Your car will also be covered whilst being carried by a recognised carrier between or within those countries during the period shown in the Green Card.
- ✓ We will allow up to 90 days cover per policy year.
- ✗ This extension does not give you the same cover as you have in the United Kingdom:
 - it will not apply to Optional Extras. For example, if you have purchased breakdown cover, this can't be used abroad and
 - if you have an accident abroad, a courtesy car won't be available, as our recommended repairer network is only available in mainland UK.

3. Customs duty

- ✓ If you have to pay customs duty on your car in any of the countries shown in your Green Card because of loss or damage covered under your policy and we decide not to repatriate your car, we will pay these costs for you.
- Ⓜ Please also refer to General Exceptions and Conditions which apply to Sections 1 to 7.

No claim discount - Section 7

What you need to do.

- Ⓜ When you buy your policy, if we've been unable to verify your No Claim Discount (NCD) entitlement using the 'NCD database', you'll need to provide us with proof in the form of your latest renewal invitation or letter from your previous Insurer, which confirms the cancellation of your policy and the NCD entitlement.
- Ⓜ It's important you send this to us within 21 days from the start date of your policy otherwise we will cancel your policy. Please refer to the cancellation section within this booklet for more details. A cancellation fee will apply.

What happens to your NCD if a claim is made under your policy?

- Ⓜ If we've been unable to recover all our losses in relation to the claim - known as 'non recoverable' or 'fault' claim, your NCD entitlement will be reduced at renewal by the amount shown on your Car Insurance Schedule. The full NCD step back table is shown on the below.

NCD years at the start of the period of insurance	NCD entitlement per non recoverable claim		
	1 claim	2 claims	3 claims
0 to 2 years	Nil	Nil	Nil
3 years	1 year	Nil	Nil
4 years	2 years	Nil	Nil
5 or more	3 years	1 year	Nil

- Ⓜ If you allow someone to drive your car when they're not insured to do so and they are involved in an incident that results in a non recoverable claim, your NCD will be reduced.
- ✓ The following claims will not affect your NCD:
 - Windscreen damage claims which fall under Section 4
 - Emergency medical treatment fees paid under Section 1(4)
 - Claims where we have been able to recover all our losses on your behalf - also referred to as a 'recoverable' or 'non fault' claim
 - Claims where the Third Party responsible for the damage has been identified* and they're not insured. (* We'll need the driver's contact details and their vehicle registration number.)
 - Vandalism claims if the incident has not been caused by another vehicle, has been reported to the police and a crime reference number can be provided
 - Any claims under the Optional extras cover.

What happens if you don't make a claim?

- ✓ Your NCD will increase by one year every time this policy is renewed, up to a maximum of 20 years.

No Claim Discount Protection for life

- Ⓜ If you have four or more years NCD, you may be able to protect it for the life of your policy for an additional premium, providing you're eligible for this Optional Extra. If you do, your NCD will not be reduced regardless of the number of claims you make. You can only add NCD protection at the start of your policy or renewal.
- Ⓜ If you make changes to your policy during the year which results in you no longer being eligible for this Optional extra, we may remove it.
- Ⓜ By adding NCD protection to your policy, your premium may still increase at renewal if you've made a claim, due to other rating factors which may apply. At renewal, depending on the number of claims or incidents recorded on your policy, we may be unable to offer you a renewal quote.

- ⌘ If you haven't protected it and a non recoverable claim(s) is made against the policy, your NCD will be reduced as shown in the table above.
- ⌘ Please also refer to the General Exceptions and Conditions which apply to Sections 1 to 7.

What happens when you cancel your policy and Optional Extras: Within the 14 day cooling off period

- ⌘ You have 14 days from the date you receive your Policy Booklet, Schedule and Certificate of Motor Insurance if you are a new customer or from your renewal date if you are an existing customer to tell us that you want to cancel the policy.

What happens when you cancel just Optional Extras: Within the 14 day cooling off period

- ⌘ If you cancel your Optional Extras within 14 days of receiving your documents, or your renewal date, we will refund the premium you have paid as long as no incidents have arisen which could result in a claim.
- ⌘ If any incidents have arisen which may result in a claim, we will not refund any premium and, if you are paying by instalments, you must still pay us the balance of the full annual premium.

After the 14 day cooling off period

- ⌘ After the 14 day period, with the exception of breakdown assistance cover, we will not refund any of the premium you have paid and the full annual premium for Optional Extras will still be payable.
- ⌘ If you choose to cancel your breakdown assistance cover, we will refund the premium you have paid less a pro rata charge for the time you have been on cover.

Our right to cancel your policy

- Ⓜ We have the right to cancel your policy at any time by giving you seven days notice in writing where there is a valid reason for doing so. We will send our cancellation letter to the latest address we have for you and will set out the reason for cancellation in our letter. Valid reasons may include but are not limited to:
- Where we have been unable to collect a premium payment. In this case we will contact you in writing requesting payment by a specific date. If we do not receive payment by this date we will write to you again notifying you that payment has not been received and giving you seven days notice of a final date for payment. This letter will also notify you that if payment is not received by this date your policy will be cancelled. If payment is not received by that date we will cancel your policy with immediate effect and notify you in writing that such cancellation has taken place;
 - Where we do not receive evidence of your no claim discount within 21 days from the start date of the policy. If we have not received such evidence by the end of the 21 day period we will issue a cancellation letter and we will cancel your policy if you fail to co-operate with us or provide the required information or documentation by the end of the seven day cancellation notice period;
 - Where there is a material failure by you to take care of your car as required by the paragraph headed 'Taking care of your car' in the General Conditions applying to Sections 1 to 7 of this Policy Booklet;
 - Where we reasonably suspect fraud; or
 - Use of threatening or abusive behaviour or language, or intimidation or bullying of our staff or suppliers.
 - Where you, any authorised driver, or any person acting for you provides false or inaccurate information when buying, amending or renewing a policy.
- Ⓜ If we do cancel your policy, you will receive a refund of the part of your premium you have not yet used less the cancellation fee that applies. The current fees are shown in Your Agreement with esure Services Limited.
- Ⓜ If we cancel your car insurance at any time, we will automatically cancel any cover provided by the Optional Extras you chose with your main policy cover. The premium you paid for these Optional Extras will also be refunded less a pro rata charge for the time you have been on cover.
- Ⓜ If we cancel your policy because we have been unable to collect the premium by direct debit instalments a cancellation fee will apply to take account of the costs in providing your policy and recovering any premium owed for the period of cover. The current fees are shown in Your Agreement with esure Services Limited.

2. Accident and Losses

- ℞ As soon as you become aware of an incident such as an accident, theft, fire or water damage that results in death, injury, damage or loss, you must tell us, even if it looks like there's no damage to your car. This is regardless of whether it may lead to a claim under your policy or not.

Using your personal data for marketing

We will send you marketing about similar products and services by post, telephone, email, SMS and through digital channels. Digital channels includes social media and similar such digital marketing channels. We may upload and match the personal data you provide to us with the data you provide to social media and similar such digital marketing channels. This allows us to improve our knowledge of you and, in return, serve you with relevant marketing messages.

You can object to receiving marketing from us at any time. Please provide your details via the following online form: www.sheilawheels.com/unsubscribe; follow the unsubscribe link in our marketing emails or SMS; or send us your name, address and date of birth via email to unsubscribe@sheilawheels.com or by post to: Data Protection Officer,

esure, The Observatory, Reigate, RH2 0SG.

We consider that it is within our legitimate interests to send you information about our products and services for marketing purposes.

Using your data for fraud prevention

Before we provide you with our products and services, we use your personal data to conduct checks for the purposes of preventing fraud and money laundering, and to verify your identity. These checks require us to process personal data about you. We may also share your details with fraud prevention and law enforcement agencies. Please see ‘other data controllers’ for details of the agencies we share your data with. We, and fraud prevention agencies, will use this information to prevent fraud and money laundering, and to verify your identity. We and fraud prevention agencies may also enable law enforcement agencies to access and use your personal data to detect, investigate and prevent crime.

When we and fraud prevention agencies process your personal data, we do so on the basis that we have a legitimate interest to process your data in such way, in order to protect our business and to comply with laws that apply to us. Such processing is also a contractual requirement of the services or financing you have requested.

Automated decisions and profiling

We use the personal data you provide to us, information about you provided by third parties (please see “How we collect information about you” for further details), and aggregated data of other individuals who match your risk profile, to enable us to evaluate and predict your behaviour when asking for a quote or processing a claim.

We use algorithms to check any claims, fraud, credit history, data about your local area and the vehicle you wish to have insured; and whether your conduct accessing our products or services suggests a risk of fraud. You may automatically be considered to pose a fraud or money laundering risk if our processing of your personal data reveals your behaviour to be consistent with that of known fraudsters or money launderers; or inconsistent with your previous submissions; or you appear to have deliberately hidden your true identity. This activity is essential to allow us to decide whether to offer you a quote, the appropriate insurance premium to offer you, and whether there is a risk of fraud. These decisions may be made by entirely automated means (that is, without human intervention) and through profiling. As with all insurers, where we are taking on more risk in terms of the likelihood of damage to your vehicle and the cost of fixing, replacing it or dealing with third party claims and/or there is a higher risk of our being defrauded, we will charge a higher insurance premium, and in some circumstances may refuse to offer a quote or continue to provide services.

We consider that, to the extent our decisions based solely on automated processing produce legal or similarly significant effects for you, those decisions are necessary for entering into, or performance of, our contract of insurance with you. However, you have the right to contact us to express your point of view (including providing any additional information that you want us to consider) and to contest such decisions. A member of our team will then re-consider it. If you wish to exercise these rights, please contact us by emailing: dpo@esure.com or by post: Data Protection Officer, esure, The Observatory, Reigate, RH2 0SG.

Consequences of processing

If we, or a fraud prevention agency, determine that you pose a risk of fraud or money laundering, we may refuse to provide the products, services and financing you have requested. We may also stop providing existing services to you. A record of any fraud or money laundering risk will be retained by us and the fraud prevention agencies. It may also result in others refusing to provide products, services, financing or employment to you. If you have any questions about our processing of your data for fraud purposes, please contact our Data Protection Officer at the details provided above.
